Fire Department Frees Cat, Child

The Albany Fire Department came to the assistance of a cat and a child this last week, but on separate occasions.

On September 6, Mr. Vissar, 1515 Sonoma, called the local Department because the family cat was in a tree and he didn't have a ladder long enough to reach him. Truck 621 responded with the 20 foot ladder, reached and removed the cat. The same day, in answer to a call from Mrs. D. Garrett, 848 Stannage, young Miss Garrett, aged 2½ years, was released from the bathroom which she found easier to lock than an unlock. An inhalator call to George Schaefer, 648 Spokane, was also made on September 6.

On September 4 a smoking electric fan switch at 1108 9th necessitated the removal of the switch and taping of the wires. Other calls this week included a broken water pipe, reported by Robert G. Phillips, 211 Wilson Street; and a floor furnace fire at the home of James Scuggins, 823 Santa Fe.

28 YEARS AGO

THROUGH THE REAR VIEW MIRROR

There was a meeting of the Albany City Council and Mayor Ben Mowday was presiding with Councilmen M. J. Blackwell, George Nickerson, Joseph Thelen and Frank Hays present. Councilman Thelen reported that new canvas was needed on the cots at the Firehouse Jail and that in their present condition the legs of the cots were dangerous and should be bolted down with eye-bolts. New blankets were also needed and furthermore there was no heat in the cells. The Council took immediate action. We trust Police Chief John Glavinovich was satisfied. He and his five other officers. One of those was Ken Nickerson who had replaced H. Plachn. Wasn't it about this same time that Mr. Carle-

varo of Carlevaro's Shoe Store had his sale and threw pairs of shoes off his roof? A real leg-whacker of a promotion idea, believe you me!

Lloyd Wise was the president of the Albany Chamber of Commerce and the S. P. Corner Store (now Max's Liquors) sold Golden Glow Near Beer and wine came in barrels. You could take your own pint and have it filled, by golly. They also sold popular cigarettes for two packs for a quarter and Colliers and Liberty were on their stands for 5 cents.

Herbert Hoover Junior High School changed its name to Albany High School because folks kept getting it mixed up with an Oakland School. Up Solano a ways, Dagna's was selling carrots for a cent a bunch, milk for two quarts for twenty-five cents and you could get spuds 10 lbs. for 15 cents.

And this all leads up to the fact that the first edition of the Albany Times was printed then, too. We'd like to thank you from way back there when you started to read us to way up now as you continue to read us. Your reading us is the best birthday present you give us!

Local AAUN Plays Host To State

The Berkeley-Albany Chapter of the AAUN (American Association of United Nations) has scheduled both a local meeting and one at which its members will host the Northern California State Council of the Association.

The local meeting, to which the public is cordially invited free of charge, will be held at Cornell Auditorium on Tuesday evening, September 18. A business meeting is scheduled at 7:45, and at 8:30 there will be a showing of the film, "Power Among Men". This film, whose theme is that power is a human dilemma that can make or break society, entails four separate episodes dramatizing man's power for cooperative creation as opposed to his destructive instincts.

The meeting of the Association Northern California State Council, which comprises chapters from Fresno to the Oregon line, will be held on Saturday, September 15, 10:30 a.m. to 3 p.m., at the Red Barn, 1722 Solano Avenue, Berkeley.

According to Carl MacWilliams, president of the local chapter, there will be presidents and officers from 13 chapters at this meeting. In addition to an exchange of ideas among those in attendance, this session will serve as a kick-off for United Nations Week and particularly Family Day, scheduled for Live Oak Park, Berkeley on Sunday, October 21, at which time students from foreign countries are hosted and also render the day's entertainment.

Slower Traffic For Commuters

Beginning at 8 p.m. on September 10, 1962, Division of Highways maintenance forces will be at work on the northbound lanes of the Eastshore Freeway over the El Cerrito Overhead to improve the surface resistance of the bridge deck. The work will be performed by using a gang concrete saw, very similar to that used in removing concrete pavement bumps.

It has been determined that the lowest traffic volume along the Eastshore Freeway will be between 8 p.m. and 6 a.m. During this period when work is in progress, traffic on the northbound lanes will be restricted to one or two lanes as the conditions warrant. Motorists are urged to reduce speed through this area and to be alert for flagmen and warning signs.

The operation will be in progress during week nights only and it is expected that between one and two weeks will be required to complete the work.

KO Polio At Albany Hi September 23

Albany City will have a K.O. Polio oral vaccine clinic site at the Albany High School auditorium, 603 Key Route Blvd. The clinic is one of 91 to be held in Alameda County on Sundays, September 23, November 4 and December 9.

Albany's clinic is being coordinated by the Albany City Health Department. Dr. Robert McMahon, City Health Officer, says, "Although our department is coordinating the clinic, almost eighty Albany volunteers will operate it."

Volunteers have been recruited from the Alameda-Contra Costa Medical Association, Alameda County Nurses Association, Alameda County Pharmaceutical Association, and East Bay Medical Assistants Association. Local organizations volunteering include the PTA, the Albany Soroptimist Club, the Albany Lions Club, the Albany-North Berkeley Kiwanis Club, Albany Junior Chamber of Commerce, and the Albany Rotary Club.

Dr. McMahon urges every Albany resident over the age of three months to go to the oral polio clinic, whether or not he has had polio "shots". "If every man, woman, and child participates in the oral polio clinics, we will eliminate the threat of polio for once and for all," Dr. McMahon said.

Native Daughters In Admission Day Parade

Albany Parlor No. 260, Native Daughters of the Golden West, were well represented in the Admission Day parade that was held in Oakland last Monday. In keeping with the theme of "Early California Days", the marching units was costumed in gaily colored "dance hall" dresses, and a truck was decorated to represent the old-fashioned saloon of that era.

Members who represented the Parlor were: Louise Fracchia, Caroline Camozzi, Mary DeGennaro, President Ann Wait, Grace Colatorti, Linda Henderson, Pat Barr, Genevieve Haynes, Nellie Graham, Yvonne Walkup, May Ellis-Olson and Mary Haynes.

Following the parade, the members gathered at Peluso's Restaurant, in Oakland, for luncheon.

CITIZENS OPPOSITION TO RAPID TRANSIT PLAN SHOWN BY BALLOT TALLY

Highlighting the City Council meeting of Tuesday night, September 4, at the City Hall was the report by Barry Runnion, chairman of the Albany Rapid Transit Committee, recommending that the Council oppose Rapid Transit or a station within the city.

Mr. Runnion stated in his report: "Subsequently to our appointment, we began a program of study, publicity, and personal contact with the citizens of Albany, to determine their opinion and reaction to Rapid Transit. Our publicity resulted in over 500 ballots from citizens in our city

who were divided as follows: 480 "no" and 20 "yes".

"Personal contacts were made through talks with citizens at their homes and personal contacts with approximately 200 people, who were almost 100 per cent against Rapid Transit in any form within the City of Albany."

Attached to the committee report was an opinion from Police Chief Ralph M. Jensen stating that a station might possibly require an extra patrolman. Another report stated that a station might result in rezoning the immediate area. Any amount of commercial development seemed to be limited to a cigar store where magazines and papers would be available in conjunction with a short order food counter.

Personal letters from Albany citizens accompanied many of the ballots. They were, with few exceptions, strong verbal protests against the city being cut in half by a Rapid Transit Mono-rail traveling at 70 miles an hour every 30 seconds. Many threatened to move out of Albany.

The City Council made it clear that they were not against Rapid Transit but were in opposition to the proposed plan as it stands now. It was the consensus the Council should hold the matter over for one week until a meeting could be held to thoroughly discuss and outline a plan with the committee to keep the citizens advised as to the cost and advisability of the proposed bond issue.

Other business culminated by the City Council included the appointment of Melvin Edward Boyd as Probationary Patrolman in the Police Department, effective September 1, 1962; acceptance with regret the resignation of policewoman Melba Nadine Idler; appointment of Richard K. Davisson as Community Center Director; approved the employment of a shelver and substitute librarian at the Albany City Library in lieu of a library assistant. City Attorney Larry Saler was requested to prepare the necessary Resolution.

Under the good of the City, Dorothy McCain, 827 Madison Street, urged every effort be made to contact other cities to fight the proposed Rapid Transit route through the city. The Council meeting was adjourned in Memory of Arthur B. Tavera, former Council member, who passed away on Sunday, September 2, 1962.

Dick Clark Chairman For Alameda County

Governor Brown recently congratulated Dick Clark on his appointment as 1962 Dollars for Democrats Chairman for Alameda County. This drive will be held September 21 through 23.

At their recent meeting Governor Brown, the State Chairman of the drive, stressed the importance of "Dollars for Democrats" to the party. "In order to be consistent with our belief in the common man," he stated, "we must strive to build our Party on a democratic basis, and the small individual contribution certainly is a step in this direction."

Chairman Clark stated, "The goal of our drive in Alameda County is to reach every registered Democrat and thereby be able to finance our candidates in the democratic way." The new chairman and Governor Brown concluded their remarks by urging all Democrats to support this drive both as volunteer solicitors and as contributors September 21 through September 23.

Dick Clark, who lives on Adams Street with his wife and children, is the President of the Albany Democratic Club. He is employed as an insurance representative and is a Captain in the Marine Corps Reserve.

Sandra Cooley Weds Gordon Linebaugh

Wedding vows were exchanged by Sandra Louise Cooley of Albany and Gordon Ronald Linebaugh of Willows, Calif., at 7:30 p.m., August 18 at the Northbrae Community Church in Berkeley. The altar was decorated with arrangements of white stock and gladioli for the candlelight, double ring ceremony. Rev. Gail Cleland of Berkeley officiated at the wedding.

The bride is the daughter of Mr. and Mrs. Henry Cooley of 608 Key Route Blvd., and the granddaughter of Mrs. Sadie Woodman of Chico. Her husband is the son of Mr. and Mrs. Ernest Linebaugh of 426 North Shasta Street, Willows.

Soloist, Robert Thomson of Woodland, college roommate of the groom, sang the "Lord's Prayer" and "Because". As the couple knelt in prayer, he sang "Wedding Prayer".

Escorted by her father, the bride wore a floor length gown of silk organza and chantilly lace over taffeta. The bouffant silk organza skirt was cut in high Empire lines with lace appliques scattered around it, and chapel train was attached to a fitted chantilly lace bodice with tapered long sleeves and a scalloped sash neckline. A small tulip crown of seed pearls held her four tiered elbow length veil of silk illusion. She carried a small white Bible, a gift from her mother, topped with Eucharist lilies, lily of the Valley, and Frenched coral carnations carried in a cascade design.

Cousins of the bride, Herman and Carolyn Halbach of Concord, were the candlelighters, and four year old Terry Caswell, daughter

of Mr. and Mrs. Tom Caswell of Durham, served as flower girl.

Sharon Robson of Albany was the maid of honor, and the bridesmaids were Sharon Cooley, sister of the bride, Mrs. Jack Wiley, Mrs. Robert Schertle and Nelda Werner, all of Albany. The attendants were attired alike in mint green nylon chiffon dresses with bell-shaped skirt, draped flounce in back and cap sleeves. Their head pieces were mint green nylon bows with veiling to match. Shoes were dyed to match and they wore white lace gloves. The maid of honor carried a cascade shape of white carnations encircled with coral tropicanna roses, and the bridesmaids carried a cascade of coral tropicanna roses encircled with white carnations.

Lloyd Lombard of Willows was the groom's best man, and the ushers were the groom's brother, Everett Linebaugh of Colusa, Ivan Berkheimer of Fair Oaks, Conrad Bridges of China Lake and Leland McCorkle of Glenn. Carol Cook of Albany was in charge of the guest book.

The bride's mother wore a neptune satin brocade gown with emerald green satin accessories and a corsage of gold cymbidium orchids. The mother of the groom wore a dress of blue nylon over taffeta with a lace bodice and a corsage of white cymbidium orchids, with black accessories. The bride's grandmother was dressed in a green silk print ensemble with white hat and gloves and a white butterfly orchid corsage.

Special recorded music for the reception and dancing was furnished by Phillip Sigmund of San Francisco, a friend of the family. The family received a very happy and appreciative surprise at the end of the evening when Mr. Sigmund played back a recording he had made of the entire wedding ceremony.

After the reception, the newlyweds left by plane from San Francisco for a ten day honeymoon in Hawaii. The bride chose for her going away costume a gold silk shantung sheath complemented with light brown accessories. The Eucharist lilies from her bouquet were pinned at her shoulder.

Cancer Total Sets Record

A total of \$200,282, the largest independent campaign ever conducted by the Alameda County Branch of the American Cancer Society, was reported today by James A. Wainwright, campaign chairman.

The local branch of the Society officially closed its campaign year last Friday, with the total figure released today. "This amount," said Wainwright, "represents not only our most successful campaign in a financial sense, but also indicates that the public is becoming more aware of the problems under consideration by the Society."

This year's final amount, Wainwright noted, is an increase of more than \$20,000 over last year's campaign.

A year round program of research, education and service to cancer patients is carried on with funds received from the annual April educational fund campaign.

Firms, available without charge to groups and organizations, may be obtained through the Society's local branch. Booklets and materials, designed to educate the public to the problems of cancer, may be obtained free by requesting them from the Society.

In the field of research, the Society expends more money at local institutions than is raised in Alameda County during the year.

The most recent grants, made only last week by the American Cancer Society, include two awards to University of California scientists.

Dr. Charles S. Nicoll was granted a \$25,396 post-doctoral fellowship to assist in his study of possible chemical factors controlling the growth of tissues. Dr. David W. Weiss, recently received a \$2,142 supplement to an earlier grant for research into the ability of fractions of the tuberculous bacillus to retard tumor growth.

More than three-quarters of a million dollars are currently invested in Bay Area institutions by the American Cancer Society in cancer research.

Wainwright expressed his thanks to the nearly 15,000 volunteer workers who helped make this year's campaign so successful.

FLAGS FOR ALBANY

By WALTER L. HOLLAND

Friday evening, September 7, during the regular meeting of Albany Post No. 292 The American Legion in Albany Veterans Memorial Building, the gavel was dropped at 8 p.m. by Commander Walter E. Ellis, and the post launched its program "A Flag Displayed on Every Home in Albany on Thanksgiving Day".

The first shipment of flags is available for distribution and the first allotment to be made to the membership of the post. "Because," said Edward Hanahan, Flag Program chairman, "the veterans of the community should set the example for their friends and neighbors by having a flag and displaying it on patriotic occasions. It is hoped that every Legionnaire can break out the Colors on Veterans' Day November 11 in order that the peak objective can be attained with our country's flag flown from every home Thanksgiving Day."

In a count made July Fourth there were only two hundred flags on display in the City of Albany which gave the local Legion Post the incentive to embark on this project to honor our National emblem and for the ideals for which it stands.

According to Hanahan, besides members of the Albany Post on the firing line to sell this program to the homes of Albany, the Boy Scouts of America, Troop No. 12 and Cub Pack 50, both sponsored by Post 292, will take part in the program. Several merchants of the city have indicated their assent to establish a stock of flags in their stores for the convenience of the public.

The flags to be distributed are specifically made for home display, a cotton flag, three by five feet, with stitched stripes, a printed field of fifty stars, a six

COUNTING CALORIES?

Keep MILK on your Table...

IT'S THE PITCHER OF HEALTH!

A weight-reducing diet should provide foods from all four of the basic food groups you need every day. Milk and milk products constitute one of these food groups (the others are the meat group, fruit-and-vegetables, breads and cereals). Thus milk should not be omitted from your weight-reducing diet. So when you're counting your calories, count milk in . . . 8 ounces of milk contain only 166 calories, and gives you important proteins, minerals, and vitamins.

To keep your energy up—your weight down—send today for New FREE booklet, "Food Way to Weight Reduction," a Dairy Council publication.

SALLY ANN BLOMGREN ENGAGED

Mr. and Mrs. Kenneth Blomgren of Albany have announced the engagement of their daughter, Sally Ann Blomgren to Michael Kenneth Hemp, son of Mr. and Mrs. Kenneth P. Hemp of Berkeley.

Sally is a graduate of Class '60, Albany High School where she was active in the Girl's League, Hi-Board and was a yell leader. She is now attending Gonzaga University in Spokane, Washington, where he was president of the sophomore class. He will attend the University of California this fall where he will major in po-

litical science and minor in Russian.

Mike and Sally's friends will remember the Boy Scout outing where they met and, therefore, will be interested to know that they plan to be married upon graduation.

Galbraiths To
Celebrate 50th

Friends and relatives from far and near are expected to help celebrate the 50th wedding anniversary of Mr. and Mrs. Hugh L. Galbraith at the home of their daughter on Arlington Avenue in El Cerrito, September 15.

The couple were married in Sacramento in 1912, where Mr. Galbraith was working for the City and Mrs. Galbraith was a stenographer in the office of Frank C. Jordan, Secretary of State.

In 1916 they left Sacramento, traveled to Nova Scotia and then returned by way of New York and Chicago. They lived for a while in Vallejo and then moved to Berkeley where Mr. Galbraith owned and operated a tire shop on Berkeley Way at Shattuck. It was at this time that they bought their home at 810 Curtis, Albany, where they have lived for thirty-three years.

Their daughter attended the Albany schools and the University of California. She married James Morrison and they now reside in El Cerrito with their two small sons.

Mr. Galbraith is now retired.
